

Before the Board of Zoning Adjustment, D. C.

PUBLIC HEARING -- October 18, 1972

Application No. 11114 George Washington University, Appellant.

THE ZONING ADMINISTRATOR OF THE DISTRICT OF COLUMBIA, Appellee.

On motion duly made, seconded and unanimously carried, the following Order of the Board was entered at the meeting of November 1, 1972.

EFFECTIVE DATE OF ORDER - January 5, 1973

ORDERED:

That the application for permission to continue parking lot as an interim use for students and faculty at 2037 H Street, N.W., lot 817, Square 101, be GRANTED with the condition that it be used for students and faculty only, and that all parking lots be limited to private automobiles, no trucks.

FINDINGS OF FACT:

1. Subject property is located in an R-5-C District which is defined by the Zoning Regulations as an area of general residence of medium-high density.

2. Present use of the property is for a parking lot which was approved under BZA Order No. 9107.

3. Pursuant to Section 3101.46, the Board in its discretion may permit an academic institution of higher learning to utilize its land or improved property with any use which the Board may determine is a proper college function. With the additional test being; that such use is so located that it is not likely to become objectionable to neighboring property because of noise, traffic, number of students, or other objectionable conditions.

4. It is applicant's intent that the continuation of a parking lot at the above location will help reduce the present delinquency in university parking.

FINDINGS OF FACT: (Continued)

5. It is the applicant's assertion that this parking lot is essential in order to reach and maintain the spaces approved by the Board in the 1970 Campus Plan.

6. Persons are charged a flat rate of \$5.00 a year for a sticker which permits them to park on the lot.

7. There was opposition to the granting of this application voiced by the Dupont Circle Citizens Association.

OPINION:

This is an application for the continued use of a parking lot on the premises of George Washington University. It is designed as a lot for students, faculty and university employees to park automobiles, motorcycles and bicycles.

Several city agencies have recommend that the application herein be granted but such use is to be limited to a period not to exceed three (3) years from approval by the Board.

We are satisfied that the Zoning Regulations have been served and grant the application conditionally for a period of three (3) years.

This Order shall be subject to the following conditions:

- a. Permit shall issue for a period of three (3) years but shall be subject to renewal in the discretion of the Board upon the filing of a new appeal in the manner prescribed by the Zoning Regulations.
- b. Use of the lot shall be restricted to private automobiles of students and faculty only. No commercial vehicles or trucks permitted.
- c. All areas devoted to driveways, access lanes, and parking areas shall be maintained with a paving material forming an all-weather impervious surface.
- d. An eight (8) inch coping shall be erected and maintained along each side of all driveways to

OPINION: (Continued)

protect the public space.

- e. Bumper stops shall be erected and maintained for the protection of all adjoining buildings.
- f. No vehicle or any part thereof shall be permitted to project over any lot or building line or on or over the public space.
- g. All parts of the lot shall be kept free of refuse and debris and shall be paved or landscaped. Landscaping shall be maintained in a healthy growing condition and in a neat and orderly appearance. Landscaping plans shall be approved by the Department of Highways and Traffic.
- h. No other use shall be conducted from or upon the premises and no structure other than an attendant's shelter shall be erected or used upon the premises unless such use or structure is otherwise permitted in the zoning district in which the parking lot is located.
- i. Any lighting used to illuminate the parking lot or its accessory building shall be so arranged that all direct rays of such lighting are confined to the surface of the parking lot.

Permit shall not issue until all conditions of this Order are met and complied with and further, the Board reserves the right to direct revocation of permit upon proper showing that any terms or conditions of this Order have been violated.
